

## Common Preschool Events

Below are some of the types of events you can look forward to while attending our preschool! While specific events vary from year to year based on the desires of the enrolled families, these are some of the common events we've planned throughout the years.

### **Field Trips**

Each year we plan a few fun-filled field trips for students and their parents! Some of the great places we have attended include a local farm where the children can enjoy the animals, pumpkin picking and wagon rides. The kids have also enjoyed trips to Soccer World with other local cooperative preschools – here they can enjoy the bouncy castles and many other available activities that will be sure to tire them out. A trip to the local fire hall is also a popular trip with the kids, and one we tend to plan annually!

### **Picture Day**

Each year we organize a picture day for the children to capture their preschool years.

### **Halloween Party**

Each year we put on a Halloween party for the children and their parents. Parents are invited to join us during the program time and participate in games, dancing and a special snack. The children are encouraged to dress up – and parents are welcome to as well!

### **Toy Cleanup**

Each year we schedule toy cleanups throughout the year. These take place during the program, usually between 10:30AM and 12:00PM when the children are outside or in the gym. Signup sheets are posted in the classroom and each family must participate in one cleanup per year or forfeit their toy clean deposit given during registration.

### **Gingerbread House Decorating Night**

This is an event we typically hold annually around the holiday season where the preschool families get together for an evening of fun, food and gingerbread house decorating!

### **Children's Christmas Party**

The Christmas Party is typically held during class time on the last Thursday before the school closes for Christmas holidays. Parents are encouraged to attend and join in the festivities. The children take part in games and dancing and we usually have a very special guest visit us.... SANTA!!

### **Mickey Mouse Disco**

This is an event that the preschool has been putting on for years, and is a big hit with the families and the community! This is the school's biggest fundraiser of the year. The event typically takes place in in January, on a Friday evening. The preschool families work so hard to make this evening spectacular for the whole family.

### **Mother's Day & Father's Day Celebrations**

Each year the children plan something special to honour their parents on Mother's Day and Father's Day!

### **Family Picnic**

Each year we hold a family picnic at the end of the year to celebrate the end of a great school year together. Activities and entertainment are planned and it is a great morning for the whole family!

### **Wednesdays in the Park**

Throughout the summer we get together on Wednesdays at different parks around the community to stay in touch and have fun together over the summer months!
